Terms and Conditions

ORDERS

Orders may be placed by fax, mail, or in person. Written confirmation must accompany all orders.

TERMS

A 50% deposit is required on all orders. All preparation and custom design charges for artwork, screen printing, and/or embroidery charges, must be paid in full with order.

CHANGES

Written authorization is required for any order change. Cancellation or changes of any order must be approved by MOTO WEAR INTERNATIONAL. Labor and material costs incurred before changes/cancellation will be billed to customer. All alterations are at the customers expense.

QUANTITIES

No minimum quantity, however pricing varies greatly with quantity.

DELIVERY

Please allow six to eight weeks for delivery. Orders requiring quicker service will be charged an additional rush order fee.

RETURNS

Shortages and defects must be reported to MOTO WEAR INTERNATIONAL within five working days of receiving products. Merchandise may be returned for manufacturing defects only. Permission from MOTO WEAR INTERNATIONAL is required before returning any merchandise.

EMBROIDERY

An additional programming fee may be charged for custom embroidery.

COLOR MATCH

We cannot guarantee exact color match across dye lots or between same colors of different fabrics. We will attempt to match your order as closely as possible.

LIABILITY

Our products offer absolutely no protection against fire. Unless otherwise stated we assume no liability for injury incurred while wearing or carrying our garments.

I have read and understand all terms and conditions pertaining to my order.

Shirt Measurements

Important: Complete ALL measurements requested in chart below. For proper fit and trim appearance, follow the guidelines below. For price quote, e-mail, fax or mail this completed page to Gina@motowear.com, (916)455-9427, Moto wear International, 4121 A Power Inn Rd., Sacramento, CA 95826, USA

- To ensure accuracy, have someone else take measurements as you stand in a relaxed position of normal posture.
- Use a cloth measuring tape, pull the tape snug but not tight.
- All measurements should be in inches.
- Measurements that fall between sizes should be rounded up. Example: a sleeve that measures 32 1/2 inches should be recorded as 33 inches.
- Review the MEASUREMENT CHART BELOW to ensure that all measurements were taken and recorded properly.

General Sizes

Extra Charge

Sizes:	XS	S	M	L	XL	XXL
Men	30-32	34-36	38-40	42-44	46-48	50-52
Women	26-28	30-32	34-36	38-40	42-44	

A. Circumference of chest- measure at the fullest point of chest, keep tape up under the arms & across the back. Using the measurement and the chart above, record the shirt size only in the A column below.

B. (This measurement for long sleeve shirts only) With arm extended straight out from the shoulder, measure from the bone at the base of the neck to just below the wrist bone.

Please use the adjacent chart to record the measurements for up to 10 shirts.
